

Aviation Safety Action Program: Recurrent Training – 2010

MEDALLION FOUNDATION

ASAP Steering Committee

- What is it?
- Why do we need it?
- What would they do?
- How would we know what was going on?

ASAP Steering Committee

- What is it?
- A group of people who represent the MPC's and can make decisions about the program
- It is not an ERC
- Higher level program decisions
- Can't make decisions with 11 carriers

ASAP Steering Committee

- Why do we need it?
- Example—Incident Reporting
- Example—Data Retention
- Example—Definition of terms
- Example—MOU update

ASAP Steering Committee

- What would they do?
- Telecon Monthly (as needed)
- Review issues
- Make decisions for MPC's
- FAA as resource

ASAP Steering Committee

- How would we know what was going on?
- Publish minutes of meetings to all MPC's
- If a carrier can't live with a decision, they can raise concerns
- Steering Committee will review, decide action

ASAP Steering Committee

- Ready to move forward?
- 3-5 Volunteers/Nominations
- Approval of Nominations
