Dear Mr. Ward:

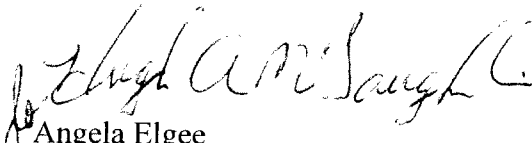

Re: Medallion Aviation Safety Action Program (ASAP) renewal.

This is in response to your request to the Federal Aviation Administration (FAA) dated March 25, 2009. You requested a continuation of the Medallion Aviation Safety Action Program (ASAP) Memorandum of Understanding (MOU) that is set to expire July 2009.

After a review of the continuing program and finding it meets established objectives, I am renewing the program for two years, making July 2011 the new expiration date. Thank you for your continuing efforts to promote aviation safety in Alaska.

And as always, if you have any questions please feel free to contact our office at (907) 271-5913.

Sincerely,

Angela Elgee
Alaskan Region Division Manager
